What information do we collect?

We collect information from you when you register on our site, place an order, subscribe to our newsletter or fill out a form.

When ordering or registering on our site, as appropriate, you may be asked to enter your: name, e-mail address, mailing address, phone number or credit card information. You may, however, visit our site anonymously.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

- To personalize your experience
(your information helps us to better respond to your individual needs)
- To improve our website
(we continually strive to improve our website offerings based on the information and feedback we receive from you)
- To improve customer service
(your information helps us to more effectively respond to your customer service requests and support needs)

- To process transactions

Your information, whether public or private, will not be sold, exchanged, transferred, or given to any other company for any reason whatsoever, without your consent, other than for the express purpose of delivering the purchased product or service requested.

- To send periodic emails

The email address you provide for order processing, will only

be used to send you information and updates pertaining to your order. If you decide to opt-in to our mailing list, you will receive emails that may include company news, updates, related product or service information, etc.

Note: If at any time you would like to unsubscribe from receiving future emails, simply click on the unsubscribe options at the bottom of every email..

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you place an order or access your personal information.

We offer the use of a secure server. All supplied sensitive/credit information is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our Payment gateway providers database only to be accessible by those authorized with special access rights to such systems, and are required to keep the information confidential.

After a transaction, your private information (credit cards, social security numbers, financials, etc.) will not be stored on our servers.
