

Mandate Links

The following links will take you to other sites on the Web which you may find helpful in some way. However, Mandate Ministries cannot accept responsibility for the content of each site, nor can we guarantee that the sites will always present the content that we viewed before linking.

Should we find, on our regular visits to these links, that the content has changed in some way and become contrary to the the Word of Truth (remember, the beauty of the Christian faith is that in certain areas of thought, grace must prevail!) the link will be deleted.

Enjoy the links and please try to be discerning... a good idea to save time is to click on a site that interests you, bookmark it, and then return. You can then go to the site at a time more convenient to you.
